EXPERTS' SEARCH THE EASY WAY

We take care of your recruiting. You take care of your business.

Having the right experts is a key factor for success. Their knowledge and expertise are what enable you to tackle business challenges. We are a recruiting expert who can help you find and select high-flying specialists efficiently and effectively. That leaves you more time for your core business.

Whether you need capable people for day-to-day operations, highly specialised experts for time- or success-critical projects, or trained specialists for peak business periods, we will find the right people for you to help you stay a step ahead by filling key positions.

CUSTOMISED RECRUITING

We recruit high-calibre experts – quickly and flexibly

Do you need specialists temporarily, permanently or for a limited project? That's our stock-in-trade. We know specialists in the most sought-after professions. We can find the right people for you, with the ideal type of contract for your staffing needs, very quickly.

We analyse your needs and minimum job requirements, then match them up to the specialists that we know. We can also conduct custom searches for you on request. Recruit with us, and you'll have one partner for all your unique staffing needs – and will be ready for any staffing challenge.

FILLING VACANCIES FITTINGLY

We know the right specialists –
guaranteed.

We know a very large number of specialists, which means we can find the perfect one for you. We maintain a vast pool of skilled experts, which we regularly adjust in line with market developments. Several of our teams specialise exclusively in recruitment, and continuously update the information about our experts. Since we were first established, we have filled over 40,000 positions in Germany, Austria and Switzerland. Several thousand of our freelance experts are assigned to projects at any given time.

When it comes to quality, we leave nothing to chance. The quality management system for our processes is DIN EN ISO 9001-certified. Our employees will find the ideal solution for you – quickly and competently. When selecting candidates, we make sure to match not only the experts' hard skills but also their soft skills to your unique requirements. We have the experience and expertise to ensure that specialists recruited by us will meet all your expectations in full.

ENSURING ADDED VALUE

With us, you'll be ready for the future.

We work proactively. We observe the market, analyse current and future trends, and aim to recruit specialists with skills that will be much sought after and thus hard to find in the future. From IT, engineering, finance and legal to life sciences, construction and property, retail, healthcare or sales and marketing – we can help you find the experts who can prepare your company for the challenges of today and tomorrow.

When it comes to efficiency, we're at the cutting edge. If you wish, we can handle the entire recruitment process – and fill your vacancies and projects quickly and efficiently. That's a service that is satisfying increasing numbers of customers. Big-name companies rely on our managed services, and count on us to optimise their recruitment processes. All the administrative work stays with us so their employees can focus on what counts: their core business. Secure these key competitive advantages for your business – with our knowledge and experience.

PROVEN SUCCESS

**We're a global leader –
even in terms of customer intimacy**

As a top international recruiting firm for experts, we view ourselves as pioneers in successfully putting cutting-edge forms of work into practice – and represent an efficient interface between experts and companies. Our specialists are matched carefully to your needs, which means you can sustain your long-term success. With the right experts, you'll be fully prepared for the future.

In 33 countries, our employees support customers at some of the most successful companies in the world. We are also well represented in Germany, Austria and Switzerland, with branch offices in Mannheim, Berlin, Cologne, Dortmund, Düsseldorf, Essen, Frankfurt, Hamburg, Leipzig, Munich, Nuremberg, Stuttgart, Zurich, Basel, Geneva and Vienna, and with dedicated employees who address your needs quickly, capably and flexibly.

Our customers are very demanding. And very satisfied.

Our customer list is impressive. We serve over 800 customers in Germany, Austria and Switzerland. In Germany, for example, many DAX 30 companies, medium-sized businesses and public sector organizations rely on our capabilities.

Regular surveys on our service and processes give us top marks for customer satisfaction. This is borne out by our high recommendation rate, which means you can count on us – and on the specialists that we place with you.

You're in good hands. Meet with us and see for yourself.

Specialist recruitment is a people business. That's why you should meet with us personally. Talk to us about your ideas, needs and goals. We'll show you how well we speak your language – and how much value we can create for your company. We'll provide the proven expertise, experience and the customer and service focus you expect of the global market leader. Put us to the test. We look forward to hearing from you.
